American Literature and Religion

From the first narratives of exploration, interest in religious observances of the indigenous inhabitants comprised one level of religious writing while most of the colonies were established, in one way or another, as religious havens for particular religious groups. The book begins with the Puritan typological understandings of wilderness and traces these through three centuries of American literature.

Literature and Theology

Because religious writing, broadly considered, was one of the most important types of literature, many studies attending to these issues blur the line at times between literary criticism, history, and anthropology, religious studies the discipline, and theology.

American Literature and Religion

Calvinist Humor in American Literature. The greatest literary achievements of the West, from Aeschylus to Dante to Shakespeare, cut deeply into the soul of humanity and stir in us those ultimate questions of existence, truth, and beauty which can only be answered, if they are ever answered at all, by religious commitment or the equally passionate rejection of theology and its speculation. Natural Religion in American Literature.

The Study of Literature and Religion: An Introduction (David Jasper Reprint): Jasper, David: 9781606088326: localize-img.justmote.me: Books

Adhering to his title, Stewart employs doctrine as the test of orthodoxy, in his case instancing original sin as the theological trait an American writer must depict to be included. Spine may show signs of wear. Culture and Redemption: Religion, the Secular, and American Literature.

Imagination and the life of the spirit : an introduction to the study of religion and literature : Ross

Madison: University of Wisconsin Press, 2012. In his presentation of Mather, Smithline shows that Nature was, for this most Puritan of all Puritans, a book to be read alongside the Bible.

Literature and Theology

One study covering a long period of history is , which discusses the heretical strain in American poetry from the 1600s through much of the 20th century. Theopoetics Guest editor Heather Walton This special issue explores the topic of theopoetics with a collection of articles from some of the world's leading theopoetic practitioners, including Richard Kearney, Mayra Rivera, John D. The book has a limited view of Calvinist humor, seeing it mainly as relating to human frailty but is a useful introduction to the subject.

The Study of Literature and Religion : An Introduction by David Jasper
