This is a discriminatory practice. Goal 3: Ensuring that the learning needs of all young people and adults are met through equitable access to appropriate learning and life-skills programmes.

Digital library: Publications

We believe that ensuring a child is happy and healthy begins before birth: from ensuring their mother has access to good health care to reaching adulthood as a healthy, empowered and informed young person of the next generation.

I only finished primary school before I married. Human Rights Watch HRW cites a lack of accountability for serious human rights violations, including rape perpetrated largely by security forces in the 2017 elections. Olweny tells IPS that South Sudan's Eastern Equatorial state is particularly notorious for the abhorrent practice of blood money.

Realising the human rights to water and sanitation: A handbook

We had a toilet, but it was not good.

Child protection

Violations and Barriers Affecting the Right to Education This serves as a grim reminder that the world has yet to fulfil its original promise to provide every children with a primary education by 2015. They are not learning anything.

A Chance to Play

Children were also forcibly recruited by armed groups in schools or while walking to or from school. Half of them are children.
