## Understanding Church Growth

We need to have faith that God is bigger than what we can think or imagine. The part I would tend to disagree with is the idea of a sword in one hand and a Bible in the other and calling it evangelism.

## Understanding church growth : McGavran, Donald A. (Donald Anderson), 1897

And nowhere in the New Testament is numerical growth elevated over faithfulness—nor is numerical growth promised because of faithfulness.

### **Understanding Church Growth**
