How to Sew an On Point Quilt

Next, assemble the bottom three rows of the quilt as you did the top rows. As a result the rows will be sewn together on the diagonal. I used for Riley Blake Designs to make this quilt which I think makes it extra cute.

Simple Quilting with Straight Diagonal Lines

On Point Quilt Tutorial In this post I demonstrate with a quilt that is set on point with both sashing and sashing posts.

Quilting on the Diagonal

This will help the seams nest and points match-up when sewing the rows together.

Simple Quilting with Straight Diagonal Lines

All you have to do is cut 2 sqs. Press these seams out toward the corner triangles. Piecing a Quilt on Point A quilt that is set on point is almost always more interesting than one done with a straight set.

How to set a quilt or block on point

The formula for side setting triangles is this: Size of the finished quilt block multiplied by 1.
