## “Like a fragment of the old world”: The Historica...

The buildings on the farms are commonly wood, though bricks are nearly as cheap, selling from 3 to 4 dollars per thousand, and from their superiority, both as to safety and durability, will probably become more and more general. John's previous to its bursting through the ridge of rocks which create the Falls. The meeting was unexpected on both sides, and as he came suddenly round a turn in the forest, raising his hand to salute us, he slipped over a stone, and fell upon his back in a mass of mud and water; but rising again immediately, with the most enviable unconcern, he stood up to his knees in it, answering our numerous queries.
