Nishitetsu

Though she had received clothing from Akitaka that would suit a girl her age, she never bothered to wear them, and because her school was one without uniforms, she stayed with her kimono. While Shiki at first allows it to strangle her, she, being reminded of SHIKI's sacrifice and what Touko had said about it earlier, fights back, knocking them both out the window.

Shiki Ryougi

Against normal humans, Shiki has shown that she is a fair combatant without a weapon.

Shiki Ryougi

However, the relationship changed with the appearance of Kokutou Mikiya.

How to Introduce Yourself in Japanese! Jikoshoukai (自己紹介)

Her academic ability is above average compared to Mikiya. It has been stated by Touko that her second arm prior to going up against Kirie will be twice as strong as the original, and that it would take an elephant to destroy it.
