Bastion Security

Built with stones from the surrounding area and with a great respect to the architectural style and the aesthetics of the Castle, some with balcony with sea view and some with fireplaces for warmth in the winter, the rooms of Bastione Malvasia Hotel offer a special experience of accommodation.

Battle for Sevastopol (2015)

The maiden turns out to be a natural-born sniper, her impressive skill and prowess make her stand out among men and women alike.

Battle for Sevastopol (2015)

The rich historical part of the city of lies within its old city walls. During the winter, the restaurant is warm and cosy with a clever blend of old and new interior design, whilst in the summer, diners sit outside in the garden, enjoying the warm balmy evenings. For many immigrants, our country is seen as a bastion of freedom where they can live without fear of being wrongly persecuted.

Bastione Malvasia

In 1804 's government declared Sevastopol the primary naval base of the Fleet. Following the , Sevastopol suffered decline, because the peace treaty denied the right to maintain a fleet in the Black Sea. However, the date of retrieval is often important.
