### Citation Guides

Efforts will be made to ensure that students receive a copy of the Academic Conduct Code at their first registration at the University. These contributions include developing collections, providing bibliographic access to all library materials, and interpreting these materials to members of the college and university community.

### Citation Guides

THE MUSIC LIBRARY AND THE HEALTH SCIENCES LIBRARY WILL BE OPEN MONDAY-FRIDAY 8AM-4:30PM.

### Academic Libraries and COVID

Dismissal or nonreappointment The institution may dismiss a librarian during the contractual period only for just cause and through academic due process. G3 Curriculum Objectives The curriculum shall consist of a unified series of courses and other educational experiences based on the programme's goals and objectives. This is an entry-level rank.

### Do Research

WBDG is a gateway to up-to-date information on integrated 'whole building' design techniques and technologies.

### Academic: University Policies: Indiana University

Planning, Assessment, and Outcomes Assessment Planning The general library mission statement and goals serve as a framework for its activities, including services for undergraduates.
