Filesize: 27.84 MB

LWS Letters of Wallace Stevens MA Gertrude Stein, The Making of Americans NHJ The Complete Notebooks of Henry James NOW Dennis L. Steven Meyer brings Stein back to science, reclaims her for good sense, and widens our understanding of her no longer peculiar originality. Please contact for more details.

**Irresistible Dictation: Gertrude Stein and the Correlations of Writing and Science by Steven Meyer, Paperback**

I suspect that Steven Meyer has outdone his protagonist, Gertrude Stein, in the subtlety of his philosophical and literary analyses and in his penetrating insights into the limits of the contemporary neurosciences. Folder titled after original folder name.

**Vol. 94, No. 3, September 2003 of Isis on JSTOR**

Review articles and discussion bring readers in touch with current findings and issues. It has been a privilege to have been able to do my work, voice my part, and I would like now to acknowledge the personal and institutional support that most immediately provided its occasion. Victoria, BC: University of Victoria Press, 2005.

**Irresistible Dictation by Steven Meyer**

The argument is grounded in the premise that both thinking and language are life forms, subject to the same laws as other life forms; indeed, as we know, and as will be discussed in Chapter 3, it was language theory that provided Charles Darwin the model for what would become evolutionary theory. Users of the collection must read and agree to abide by the rules and procedures set forth in the Materials Use Policies.

## **A Natural History of Pragmatism**

Later, at Johns Hopkins Medical School, she was involved in cutting-edge neuroanatomical research in the laboratory of Franklin Mall, the leading anatomist and embryologist of the day, and his assistant Lewellys Barker, the author of the first English-language textbook to describe the nervous system from the standpoint of the newly established neuron doctrine. Louis Newspapers Folder 9: Literary St.

## **International Writers Center Archive, 1990**

Literary Modernism and Musical Aesthetics: Pater, Pound, Joyce, and Stein.

## **A Natural History of Pragmatism**

Writing psychology over: toward a more radical empiricism 6. Gift of Arts in Transit, August 24, 1998. Baltimore: Johns Hopkins University Press, 1995.

## **Experimentalism Across the Disciplines, Metascience**

Also includes some other miscellaneous research on non-St. I am grateful, as well, to my students and colleagues, my dear friends at the Center who, in response to lectures and seminars I have given have offered comments and insights that have refined my thinking, and particularly to: Morris Dickstein, Richard McCoy, Joseph Wittreich, Jennifer Bernstein, Andrea Knutson, Devin Zuber, Sharon Lattig, Maggie Nelson, Matthew Gold.
