Business letters

Studies have found that busy business people do not like to read beyond the first page, and will actually delay reading longer letters. I am absolutely confident that Wendy would be a great fit at Cloud Clearwater. The commercial treaties may deal with a specific product or product group, investment, tariffs, or taxation.

Business communication in Germany: language matters

Please contact our Customer Service Team if you have any questions.

Practice Typing Business Letters

Thus, the Doctoral Student can apply creative solutions and take the appropriated business decisions related to the European Markets.

Business English: Texts to practice Reading Comprehension

Nation-states customarily enter not only into FCN treaties and BITs but also into peace treaties or weapons limitations treaties, such as the US-Russia Strategic Arms Reduction Talks START treaty. Do your best to address people by their full, correct title, no matter how extraordinarily long that title may seem to foreigners.

Business Correspondence

Eye Contact Germans tend to make eye contact often, so try to maintain it when it is made with you.

Business Letters

You should state your main cause in the first paragraph. Hierarchy German business culture has a well-defined and strictly observed, vertically structured hierarchy, with closely defined responsibilities and distinctions between roles and departments. In many cases, the largest rising companies will be nowhere in sight five years down the road.
