Background and causes of the Iranian Revolution

Prince Pahlavi later crowned shah reigned until the 1979 revolution with one brief interruption. Therefore, in the decades following the establishment of the new parliament, a number of critical events took place. The protests rapidly intensified in 1978 as a result of the which was seen as the trigger of the revolution, and between August and December that year, strikes and demonstrations paralyzed the country.

Iranian revolution: world's reactions show that, four decades on, tensions remain as high as ever

Brooks argues that women were left to express their concerns through the protest rather than in the. In June 1982, with Iraqi forces all but expelled from Iranian territory, the Iraqi government offered a ceasefire. More telling still is the reaction of the non-democrats.
