## Collections

Collecting is also associated with memory by association and the need for the human brain to catalogue and organise information and give meaning to ones actions. This is often much quicker than removing it yourself. They will NOT threaten you.

## How to Deal With Debt Collectors When You Can't Pay

Debt collection is the process of recovering old debt that the borrower has failed to repay. Special or limited edition collectables are created with the goal of increasing demand and value of an item due to its rarity.
