Health Equity

Seamless Care for Traveling Veterans VA wants to ensure your health care is coordinated and seamless, whether you are seen at your local VA health care facility or at an alternate VA health care facility as you travel or have a temporary change of address for example, if you live in one state during the winter and another during summer. Resources available include: Quick information service, Document delivery service, and Information and data retrieval service. While the card is not required to receive health care, VA recommends all enrolled Veterans have one.
