Is Real Educational Reform Possible? If So, How?

The idea that children are and should be responsible for their own learning is the thesis that runs through most of the previous essays of this blog. Parents, children, and members of the school investing countless more hours and dollars than they had ever gotten through the charter school program under which they

What Is The Best Evidence For Education Reform?

Pathways in Technology Early College High School P-TECH : The Pathways in Technology Early College High School, a Brooklyn-based middle and high school, was established in 2011 as a partnership between IBM, the New York City Schools, and the City University of New York's College of Technology.

School Reform

And now we thank our lucky stars that we stumbled upon Montessori after doing so. Those challenges have changed over time, as have our tools for meeting them—yet our school systems have remained remarkably static.
