Reformatory Schools : For the Children of the Perishing and Dangerous Classes, and for Juvenile Offenders

Soon similar reformatory agricultural colonies run on family lines were being set up by philanthropists in many other European countries, such as the Rauhe Haus near Hamburg. These saw judgement respited and young offenders directed instead to the reformatory establishment The Refuge for the Destitute. The Youthful Offenders Act provided the Reformatory; the Prevention of Crime Act ushered in Borstals ; the Children and Young Persons Act created Approved Schools ; the Criminal Justice Act.

Timeline of Young People's Rights in The United Kingdom

It is no shock the this idea of juvenile delinquency has managed to stick around as long as it had, but through the last 2-3 centuries the government and other groups of people have tried to stop this. My hope is that this article will contribute to this growing interest on the subject 9The paper proceeds by looking at the political, legal and social context in which the Scottish reform movement began.

The plan for more such schools, called Borstals, was extended in 1908 and for a time they were very successful. The oppressive nature of institutional confinement was also underlined by the 1896 Report which testified to the detrimental psychological effect on children of being detained in institutions run according to repressive regimes.

Timeline of Young People's Rights in The United Kingdom

The early years of the statutory system were marked by a transitional period of adjustment. This is NOT a retyped or an ocr'd reprint.
