But now 120 of the creations are set to be unveiled for the very first time next month in the major publication of David Hockney: My Window. The springtime of art ... La Primavera by Sandro Botticelli.

### David Hockney: Mount Fuji and Flowers Poster

David Hockney David Hockney - From the category: Perspective is a law of optics. The Estate of David Hockney and their presence hold all necessary copyrights and licences for all of his paintings and other works. I understand what he was doing: discovering what's there.

### David Hockney

David Hockney - From the category: Water in swimming pools changes its look more than in any other form. In high summer Hockney wakes sometimes at 3.

Hence the extra cost of our luxury quality: for this quality we double the working hours, work with more material and take the time to work out the smallest details.

### David Hockney Paintings

Twenty iPads look good together on a wall, but 100 together are a little too bright. This is a strange spring: a nymph is being chased by a blue spirit, Zephyrus the wind god, who will rape her — turning her into the goddess Flora, with her dress made of flowers.
