## Direction: The Unique Character of Christian Ethics

We know this on good evidence. Still, his contention remains essentially the same: the sacraments are ascetic practices that help us to cultivate a Christian vision of reality as bearing the presence of God, educating us in the discipline of grace and reshaping our desire. Platonic thought makes much of eros, and eros means love.

## Ethics of Jesus

However, there is much discussion as to how these sources relate to one another and to the nonrevelatory sources of Christian ethics. San Francisco: Ignatius Press, 1992. It warns us not to long for something that is not rightfully ours and that we cannot rightfully obtain.

## Christianity

The extent of the early persecution of the church is much debated, but there is little doubt of the prevalence of martyrdom in the early stages of Christianity. Knox, The Ethic of Jesus in the Teaching of the Church 1962 ; J. Such a setting is, however, in perfect harmony with the general setting of the ethical teaching, which—as the ethics of the kingdom—is the ethics of the new covenant, the way of life of the people of God, and the ethics of the new heart and the new spirit.

## Book Review: Christian Ethics: An Introduction to Biblical Moral Reasoning

The Franciscan school, represented by d.

## Ethical Perspective

Imitating the character of God is the basis for not lying. From this wider biblical perspective we shall be the better equipped to judge what is truly Christian. Cave, The Christian Way 1949 ; A.
