Once your guests leave, you can exit Guest Mode and return to your own Roku experience, though you will have to sign back into your streaming video subscription accounts on that device. To resolve this issue, first, ensure that you are using the USB cable that came with your Roku, as others may not be suitable. Looking inside, I discovered the NXP PNX8935 SoC.

Alongside the paid-content options are tons of completely free sources of content, plus most Roku devices let you access your personal collection of movies, TV shows, photos, and music. Like with restarting your Roku device, there are two ways you can do it: through the settings menu or by using the reset button on the device.
