In 1955, the name was changed to Royal Society of Health.

Public Health

Public Health in Practice is a gold open access journal in the field of population health.

Journal of the Royal Society of Health

It is a widely recognised mark of commitment to public health and brings real professional benefits. It was soon renowned for events and conferences on pioneering and topical issues, and developed qualifications for people working in public health professions. The top three submissions selected by the evaluation committee will be invited to present their paper at a Digital Health meeting, where the winner will be selected.
