But the program is not well targeted and benefit amounts are inadequate. In 2018, Sirisena sparked a constitutional crisis when he attempted to suspend parliament and appoint a former president as prime minister.

How emerging markets have changed over the past 20 years

For the bond auction on February 27, most dealers had made preparations to provide bids for the already announced Rs. The contraction, a first in 19 years, was driven by weak performances of construction, textile, mining and tea industries. Image courtesy By Sam Samarasinghe and Dushyantha Mendis The issue of government bonds on February 27 has raised a huge controversy, involving questions as to the competence of the Government of Sri Lanka GOSL and the Central Bank of Sri Lanka CBSL , and also allegations of insider dealing.
