## Mandarin Song Lyrics Translation: Ting Ma Ma De Hua Lyrics Translation

Lón lén rồi em sẽ hiểu những điều này Repeat x1 Lón lén rồi anh mới bắt đầu hiểu Tại làm sao anh chạy nhanh hơn người khác Lại bay cao hơn người khác Rồi mọi người lại sẽ đọc truyện tranh anh vẽ, hát bài hát anh sáng tác.

### TING MA MA DE HUA (LISTEN TO MAMA'S WORDS)

C'est La Vie c'est la vie 14. Why do you want to listen to Mom? Everybody's singing songs that I wrote.

### Jay Chou Lyrics

I'm learning to draw, talking to the piano. . I don't want to lead you astray You should just listen to your mother's words You can start dating later I know your future road But mother is even clearer about it than me You will begin to write this and that on your bag like the other students But I suggest that it's best if you write Mother, I will do my best to study Do my best to study How did that come out from my mouth? I want to grow up fast to protect her.
