### Climbing Magazine

This climb was the hardest known in North America at that point in time. Most other equipment is of a protective nature.

Filesize: 44.109 MB

## RockQuest

At this site you can often find sunny weather crag climbing alongside the Columbia River shore.

## Climbing Magazine

Bouldering walls, crazy climb arena, ninja warrior course, cafe, and fitness classes. Numerous crack climbing opportunities exist ranging in difficulty from 5.

## RockQuest

The belayer might be a trained staff person, a friend with belay certification or an auto belay device. There are a number of bolts in the rock that follow the path of the pre-planned route and it is the responsibility of the climber to clip their rope through the climbing quickdraws as they climb.  
»» Exploring and scrambling has been a favorable pursuit in Northwest Oregon since before the turn of the 20th century.
