## Fundamentals of limnology. (1963 edition)

This book has hardback covers.

## A biographical sketch of David G. Frey

He joined the University of Toronto faculty as lecturer in 1938. Some of the weaknesses of academic and scientific subcultures might be moderated if more university faculty members were to serve in the military, to work in the private sector, or to live abroad for a few years before becoming ensconced in an ivory or agency tower. Previous owner's name on front endpaper.

## F. E. J. Fry

HOD was found to increase during the daylight period and decrease at night after destratification. The relative maturity of the lakes shifts considerably, according to which maturity index one utilizes.

## Dynamics of dissolved oxygen and vertical circulation in fish ponds

Blackie and Son Limited, Bishopbriggs Glasgow.

Fundamentals of Limnology (eBook, 2020) [localize-img.justmote.me]
