Interesting Facts About Laura Ingalls Wilder

Laura, always active in various clubs and an advocate for several regional farm associations, was recognized as an authority in poultry farming and rural living, which led to invitations to speak to groups around the region.

Facts About 'Little House on the Prairie' Author Laura Ingalls Wilder

This setback began a series of disastrous events that included the death of their unnamed newborn son, the destruction of their home and barn by fire and several years of severe drought that left them in debt, physically ill and unable to earn a living from their 320 acres 1. Article available only by subscription or purchase. In about 1890, the Wilders left South Dakota and spent about a year resting at Almanzo's parents' prosperous Minnesota farm, before moving briefly to Florida.

Laura Ingalls Wilder Facts for Kids

When Laura was 8, her brother, Charles Frederic, was born. . She was hospitalized by Lane, who had arrived for Thanksgiving.

Laura Ingalls Wilder by Lucia Raatma

Laura Ingalls Wilder, author of the 'Little House' series of children's books, died yesterday at her farm near here after a long illness. In addition to working on their farm, Laura held several part-time writing jobs, including serving for more than a decade as a columnist for , a bimonthly farm paper.

Laura Ingalls Wilder: A Writer's Life

I started watching the little house on the prairie series when I was a little boy of 7. Although she was a bright student, her education was rather sporadic, a result of her family often living in isolated areas where schools were not yet established, or the family's finances resulting in Laura interrupting her schooling to earn money. Existing evidence includes ongoing correspondence between the women about the books' development, Lane's extensive diaries, and Wilder's handwritten manuscripts with edit notations shows an ongoing collaboration between the two women.
