### Maps in a Mirror Series by Orson Scott Card

An excellent collection of longish short stories that explore religion, although not in the way I expected. He hadn't come as a sacrifice, against his will, solely because she wanted to come.

### Maps in a Mirror: The Short Fiction of Orson Scott Card by Orson Scott Card

I was surprised by the number of different genres and story types Card has been able to write in successfully, especially by the caliber of the horror stories in the first section. Saving Grace, about a kid who wants so badly to be healed by a faith healer that he manages to paralyze himself and then finds out that the faith healer is nothing more than a con-man.

### Maps in a Mirror

If there were no more stories, I would have given the book 5 stars.

### Maps in a Mirror Series by Orson Scott Card

If she went to Terminus, it would be as a noble sacrifice.

### Maps in a Mirror Quotes by Orson Scott Card

There is something in this collection for everyone.
