Punish and Critique: Towards a Feminist

Our core businesses produce scientific, technical, medical, and scholarly journals, reference works, books, database services, and advertising; professional books, subscription products, certification and training services and online applications; and education content and services including integrated online teaching and learning resources for undergraduate and graduate students and lifelong learners. Punish and Critique begins the task of exploring what a theoretically-informed feminist analysis of penalty might look like and, in the process, uncovers a series of disjunctions in the recent critical analyses - for example, disjunctions between 'social histories' of prison regimes on men and feminist histories of the imprisonment of women.

Punish and Critique: Towards a Feminist

Series editor's preface Acknowledgements Introduction p. Most crucially, the book unveils radical disengagement between two current critical theoretical projects: the masculinist, analyzing the emergence of punishment regimes in the context of the state's power to punish and the feminist, mapping the differential impact of disciplinary power on lived female bodies. Publisher Information Wiley is a global provider of content and content-enabled workflow solutions in areas of scientific, technical, medical, and scholarly research; professional development; and education.

Review: [Untitled] on JSTOR

Wiley has published the works of more than 450 Nobel laureates in all categories: Literature, Economics, Physiology or Medicine, Physics, Chemistry, and Peace. It is committed to achieving a broad international appeal, attracting contributions and addressing issues from a range of legal cultures, as well as theoretical concerns of cross-cultural interest. Considered together, these critical views constitute a formidable challenge to traditional ways of conceptualizing punishment.

Review: [Untitled] on JSTOR

Over the past twenty-five years, a range of critical - that is, Marxist, poststructuralist and, less frequently, feminist - perspectives has been brought

to bear on the subject of punishment and, in particular, on the question of imprisonment in Western capitalist societies. Most crucially, the book unveils a radical disengagement between two current critical theoretical projects: masculinist studies of the emergence of punishment regimes in the context of the state's power to punish, and feminist studies, which map the differential impact of disciplinary power on lived female bodies.

and critique: towards a feminist analysis of by A. Aungles

With a growing open access offering, Wiley is committed to the widest possible dissemination of and access to the content we publish and supports all sustainable models of access.
