### Gospel

This volume investigates the early, second-century reception of the Fourth Gospel.

### Historical Reliability of the Gospels

. If evidence existed that Jesus married and chose his wife as a disciple—or even just that some early Christians believed he did—it would bring unprecedented scrutiny to how and why this vilification of sex prevailed.

### History: A Revolutionary Act

The name is used for a number of hospitals around the world. It is possible that the unit did not exist or was a later Syrian unit displaced to a different place and earlier time. But if what Austen Ivereigh alleges, did happen, would the election of Pope Francis be null and void? When that is read in the fourth century by pagans with the Roman Empire behind them, that becomes the lethal seedbed out of which, eventually, genocide and anti-Semitism, in our own days, would eventually come.

### What Are the Gospels, and Why Are There Four of...

This was part of a living sacred tradition, and has been shown, rather than being an unreliable way of transmitting a tradition to be a very reliable way indeed. This is because, before God, Catholics believe deeply that they are not obliged to obey a superior who does not hold his office legitimately, in accord with the fundamental rules of the Church, known as Canon Law.

Jesus Christ never wrote a word.

### The Legacy of John

Also, from the testimony given by Dr. They were supposed to kind of get with the new franchise but they didn't. These early Christians dared to

ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message.
