## Identity Politics and Class Struggle

For many of the same reasons, the same is true of the rise of socialist ecofeminism. For example, there may be consistencies in the lived experience of gender relations in different parts of the world, but there are also significant divergences.

## Dossier 26: Identity and its Discontents: Women and the nation

One example of this effect was the problem of fractionalization within the National Women Studies Association NWSA some years ago, largely due to the many splits that occurred within its ranks. Politics of Masculinities: Men in Movements. Emboldened by the revival of feminism, many female scholars and a few male colleagues began actively asking new and different questions from history, often linked to the sweeping changes going on in their own lives.
