## SADE FOURIER LOYOLA

Why the focus on her body? Libertines can have verbal ejaculations. Sade is condemned for the represented crimes he commits and not his discourse where he imagines crimes with words. Classic Romans have an elegant reputation and seemed to have high aspirations in art and culture, but who, most of the time, were really interested in getting it on in doggy style, or at least watching it.

Sin embargo, a diferencia de lo que ocurre con Sade, para Fourier el placer no es el fin último de la redistribución o rediseño de los lazos sexuales entre hombres y mujeres al interior de una sociedad que los vuelve comunales, es una felicidad o bonanza duradera que trasciende la esfera de la individualidad misma.

### **Sade Fourier Loyola by Barthes, Roland**

Rules often contradict each other. The pleasure of a reading guarantees its truth. The solitude is not only to be safe from punishment, but to desocialize.
