## The New Office Etiquette: A Guide to Getting Along in the Corporate Age by George Mazzei

While the ease of communication can be a bonus,. Using this kind of program is convenient as it does the following - Tracks the usage of floor square footage - Tests furniture and equipment placements - Views heating, electrical, and data systems Other design programs may offer additional features such as a vast inventory of design elements or pre-designed templates. You never know when someone could turn on you.

### How to Get Along With Your Coworkers

Considerate behavior is like a meme: it lives and spreads if someone keeps it alive. Try to keep your conversation as brief as possible.

### Are Maxi Dresses Ever Appropriate For the Office?

Some may even clash with others. Appropriate Dressing: Your dressing should be in sync with the predefined of your workplace.

### Workplace Etiquette: 21 Dos and Don'ts of the Workplace

Of course, each space will have its own attitudes of tolerance toward noise levels, so if you're new to the space, ask the host what the noise policy is, find out where in the office you can take calls, or take the time to get a feel for what your neighbors can abide.

### 6 Topics to Avoid Discussing at Work

Even if you are suddenly the victim of the boss's wrath at a particular point, try to smile and shrug and continue doing your work as planned.
