Here's how not to get eaten by a shark

I don't go in the water with an open cut, and I don't swim during the Shark's feeding time. I used one 200g, then probably 150g of the next. Tiger sharks have a record second only to Great White sharks for attacks on humans, but it may be that the man drowned and his corpse attracted the fish.

How Many People Are Killed By Sharks Every Year?

However, if you feel a shark approaching with aggressive intent, hold your ground. As for why a larger shark would cannibalize a smaller shark, the documentary suggested theories about how it could have been attacked. His parents divorced when he was three and he was raised by his single mom in a suburb of Chicago.
