The Apprenticeship of Duddy Kravitz (novel)

By being an apprentice to life, Duddy is learning about how to be different types of people by imitating their personalities.

Mordecai Richler's The Apprenticeship of Duddy Kravitz: Summary

I enjoyed it, yet it felt instantly familiar, y'know? For example, what are the odds of a young boy meeting and then working with an award-winning, internationally-renowned movie director? He is a millionaire who inherited, rather than earned, his money.

The Apprenticeship of Duddy Kravitz (1974)

Or even Phillip Roth or Updike. Caveats for those not yet familiar with Richler: he's over the top.

Mordecai Richler's The Apprenticeship of Duddy Kravitz: Summary

The object of the quest becomes nothing less than a beautiful pastoral lake in the Laurentians that Duddy plans to turn into a summer resort. His mother died when Duddy was young, and his memories of her are few.

The Apprenticeship Of Duddy Kravitz

Review at The Pluviophile Writer: A Canadian classic; there are not many books that embody a French-Canadian setting and receive as much praise and success as this one did, especially with a protagonist as despicable as Duddy. Duddy tries but fails to reconcile with Yvette, and she tells him that she never wants to see him again. Duddy's motivations can seem so materialistic, but they come from a genuinely tender place: he wants to make his grandfather proud, give him a land to farm and live out the rest of his days happy and content.

The Apprenticeship of Duddy Kravitz (novel)

You're two people, that's why.
