## 10 Best Virtual Tours at Zoos, Aquariums and Science Centers

Click and find out what Wild Enrichment can do for you. Numerous handlers have been seriously injured or killed when interacting in this manner with captive animals, like Tilikum the orca, who killed three people: two handlers and one man who gained unauthorized access to the tank.

## The Best Zoos and Aquariums in the US

More than 50 million visitors to AZA-accredited zoos and aquariums are children, making accredited zoos and aquariums essential to science and environmental education. Leaders in Professional Excellence AZA is dedicated to providing our members with the resources they need to be the best in our profession.

## Zoos and aquariums given £2.5m in Covid

It has been shown that zoo and aquarium visits can enhance public understanding of wildlife and the conservation of the places animals live. Global conservation efforts and indicators are complicated and potentially unachievable without national strategies, goals and metrics. Each key point deserves consideration so that a personal decision regarding zoos can be reached.

## The History Of Animal Welfare In U.S. Zoos & Aquariums

The old practice of going out into the wild and pulling a snatch and grab from a mother gorilla is simply a thing of the past. Certified-related facilities must meet the same standards as accredited facilities every five years.
