### Must

We use the word school as an umbrella word. Now if you are looking for actual history, chemistry, or business textbooks in Irish? Pádraig Ó Ríain: The learned tales of medieval Ireland Mac Cana , Ich 433.

### The Daltaí Boards: A mhairfeas

The issue of expediting delivery of the vaccine to education staff must also be considered, as is being done in many other societies to hasten the return of classroom-based learning. In Irish, there is often no special genitive form: tae, caife, bainne tea, coffee, milk stay as is: pota tae, muga caife, bosca bainne .

### The Daltaí Boards: Weird things in languages

**CÚRSA GAEILGE bunaithe ar ÚRCHÚRSA GAEILGE le MEASÚNÚ,FOGHRAÍOCHT, FÓRAM d'FHOGHLAIMEOIRÍ, and CÚNAMH TEAGASCÓRA**

Also inserted into the file is the excellent Gael-Linn sound recording made for the book. Here's a liota', by Pól Ó Muirí, The Irish Times, 29 March, 2018.

### Cruinnscriobh na Gaeilge

Ó Fiannachta , Ich 314. It reverts to another form.

### Must

Sin an gadaí a chonaic na gardaí.

### **The Daltaí Boards: Irish Textbook**

Foras na Gaeilge was founded in 1999, and assumed the roles of Bord na Gaeilge, An Gúm publishers of Irish literature and educational materials , and An Coiste Téarmaíochta The Terminology Committee. The primary directive here was that if one wished to add a text, one also had to choose a text to be dropped from the list. You consider the An Teanga Bheo series.

### **Opinion: Chris Donnelly**

Patricia Lysaght: Folksongs and folklore of South Uist Fay Shaw , lch 582. Finding a transition phase which incorporates quality classroom-based learning should not be ruled out. Chris Salerno had plenty of college options, but the 2021 kicker from California had long narrowed in one specific opportunity.
