### Darwin from Descent of Man to Emotions

I remember seeing a man utterly prostrated by prolonged and severe exertion during a very hot day, and a bystander compared his eyes to those of a boiled codfish. Such was not alien to his scientific account of evolution, but was derived by Darwin himself from his theory as applied to human nature.

### Charles Darwin on human evolution

Emerson's description of the book he was after for he gave no name of author nor definite title to the book.

### Did Darwin Kill the Soul?

Robert Darwin decided to send Charles to Edinburgh for his medical education, there to be joined by Charles' older brother Erasmus.

### Charles Darwin: Theory of Evolution

Yet during the summer of the Scopes trial in America, a twenty-something C. When, with inspiration at hand, you seek book-learning, your heart, as if inspired, loads you with reproach.

### Darwin in the Dock: C.S. Lewis's Critique of Evolution and Evolutionism

It teaches people to be satisfied with trivial, supernatural non-explanations and blinds them to the wonderful real explanations that we have within our grasp.

### Charles Darwin on human evolution

We undoubtedly sympathize far more deeply with a beloved than with an indifferent person; and the sympathy of the one gives us far more relief than that of the other. With young persons past childhood, when they are in high spirits, there is always much meaningless laughter.

## **Darwin on the Rise and Fall of Human Races, Part 2 of 2**

These individuals carry out disastrous plans that any average pre-teen knows are the result of a really bad idea. These selections are from Emerson's Divinity School Address of 1838. He well knew about the injurious effects of inbreeding on animals and birds, and recognised that closely related breeding pairs generally produced poor or damaged stock.
