List of members of the United States House of Representatives in the 97th Congress by seniority

New Forms of Organized Influence The number of interest groups in Washington and the rest of the country multiplied many times in the last half century. Defenders of the ruling argue that the Court, by expanding the number of players who can attempt to influence elections, has created a more competitive political environment.

Legislative Process

Often the offending Member obtains unanimous consent to withdraw the inappropriate words or the demand is withdrawn before the Speaker rules and then the Member proceeds in order. Bush was elected in 2000, Republicans enacted a tax cut bill that was passed in 2001, one that seemed quite affordable to many observers until a recession settled in the economy and the terrorist acts of September 11, 2001, motivated large spending initiatives for New York, the war against terrorism, and the war in Iraq.

them good public servants — walk its halls every day. That is, the candidate with the most votes wins, even if that candidate receives less than a majority of the total vote. The need for quick, coordinated, multi-agency action is intensified.

Legislative Process

Senators were to be chosen by state legislatures, and the president was to be chosen by an electoral college composed of individuals chosen by the states.

Constitution of India

Determining who must compromise — and how to get them to do so — is the essence of legislative politics. But between 1993 and 2001, the Court made a series of confusing rulings concerning the constitutionality of districts drawn with racial motives.
