Replacement Theology

From 1350 to 1500 Christianity suffered a serious recession. Harnack, by analyzing both historical developments of dogma and of the relation of the church to the state, along with missionary movement of Christians, investigates the expansion of this religion. Over 40 churches were established by 100, most in , such as the , and some in and.

Mission and Expansion of Christianity in the First Three Centuries by Research Paper

That, however, was not what was going on at ground level. In 2010, the United States sent out 127,000 missionaries, while 32,400 came to the United States. Beginning in 1552, the Church sent and to other countries in Asia.

Map: The Spread of Christianity in the first and second centuries

Missions involve sending individuals and groups across boundaries, most commonly geographical boundaries, to carry on or other activities, such as educational or hospital work. Although this activity ceased with the establishment of the Soviet regime in Russia, it gradually resumed after the. History remembers Harnack as one who refused to limit literary and historical study of the Bible.

Replacement Theology

Missionary societies funded their own operations that were not supervised or directed by the Colonial Office.

The Mission and Expansion of Christianity In the First Three Centuries, 2nd Edition on Apple Books

In the 19th century, higher criticism flourished in Germany, establishing the historical-critical method as an academic standard for interpreting the

Bible and understanding the historical Jesus.
