Senate

Vacancies The requires that vacancies in the Senate be filled by special election. A new constitution in 1935 abolished the Senate but an amendment in 1941 restored it in 1945.

Senate

The remains valid only temporarily; the office becomes vacant again at the end of the next congressional session.

U.S. Senate

On January 3, 2021, Ben Ray Luján was

sworn into office as a U.

Senator

These include the approval of, and the confirmation of, , , , regulatory officials, , and.

[Home](#) » Senator Ben Ray Lujan

The Senate is widely considered both a more deliberative and more prestigious body than the House of Representatives due to its longer terms, smaller size, and statewide constituencies, which historically led to a more collegial and less atmosphere. Unanimous consent agreements are typically negotiated beforehand by party leaders.
