Fragonard : PARFUMEUR

All Fragonard products are made in France. A lukewarm response to these series of ambitious works induced Fragonard to abandon Rococo and to experiment with.

Jean

He asked first to make this painting of him and his mistress. Fragonard studied for six months under the great luminiest, then returned more fully equipped to Boucher, whose style he soon acquired so completely that the master entrusted him with the execution of replicas of his paintings. Located in the Opéra Garnier quarter of Paris, the Musée du Parfum Fragonard is a must-see among places to visit in Paris.

Workshop

Fragonard returned to Paris early in the nineteenth century, where he died in 1806, almost completely forgotten. In 1780, he had a son, 1780—1850 , who eventually became a talented painter and sculptor. In 1760, they toured Italy together, executing numerous sketches of local scenery.

Jean

Hitherto Fragonard had hesitated between religious, classic and other subjects; but now the demand of the wealthy art patrons of's pleasure-loving and licentious court turned him definitely towards those scenes of love and voluptuousness with which his name will ever be associated, and which are only made acceptable by the tender beauty of his color and the virtuosity of his facile brushwork; such works include the Le collin maillard , Serment d'amour Love Vow , Le Verrou The Bolt , La Culbute The Tumble , La Chemise enlevée The Shirt Removed , and The Swing , and his decorations for the apartments of and the dancer. In 1765 his et Callirhoe secured his admission to the Academy.
