## Old Wine in New Bottles: Formatting Documents with Editorial Notes

Reformatting print footnotes as endnotes in an electronic edition is a reasonable compromise between all the needs and opportunities described above. Using a hypertext link in HTML normally causes a jump to a new location, the target note replacing the source text on the screen.

## Old Wine in New Bottles: Formatting Documents with Editorial Notes

Would I need to indicate the pagination of the footnotes as well? Non-HTML formats offer even more features and capabilities in creating documents.

### Introduction

Dean has no such softness, and enters the nursery with the tread and gaiety of an ogre.

### A casebook on Gulliver among the Houyhnhnms : Foster, Milton Painter, 1921

If interested, please refer to the printed edition. The ignorance that Gulliver begins his journey with represents the ignorance of European society of the time.

### The Satirical Utopia in

In the current case, however, the notes were written by Thackeray and therefore integral to the work. Cambridge: Cambridge University Press, 1993.

### Introduction

The scholarship published in The Journal of Politics is theoretically innovative and methodologically diverse, and comprises a blend of the various intellectual approaches that make up the discipline. Each page-worth of text, body and footnotes, could be formatted as it appears in print. This is a bit creepy and leads to incongruous and uncomfortable laughter.

## **A Critical History of Gulliver's Travels**

In: A Casebook on Gulliver among the Houyhnhnms. These links form a hard connection between the two points, without extraneous symbols. He evokes the laughter of incongruity in the first two books.

## **A Critical History of Gulliver's Travels**

In the end, Gulliver is so detached from his roots that he is unable to even recognize overt acts of kindness and goodness in his fellow humans such as that of Captain Pedro de Mendez, who helped Gulliver return to England Case 142. Designing an online format to accommodate the footnotes and do justice to the text was going to be a challenge. I plan to render the Swift essay in an online format because Thackeray's views on Swift exemplify the Victorian judgement of the satirist's misanthropy and continues to form the basis for so much current writing about Swift's life and work notably including the recent Glendinning biography.
