They provide textural and flavor contrasts to food. {OK, so you get the picture that once you get the basic lemongrass beef thing down, you can use it in a million different ways. To add to the Western canning question: from my understanding, you can't just can anything--it has to have the right acidity level or there is a risk of botulism}

He describes Vietnamese food as light, healthy, fresh, clean, and diverse. I can barely read Chinese characters and forget about Japanese! Thirty years later, I had the good fortune of writing my own intimate collection of recipes, Into the Vietnamese Kitchen, chronicling the food traditions of my native country and how they sustained my family as we adapted to our new home in America.

Vietnamese Cookbooks List

Hippocrene Books, the publisher, should have spent more on photography. However, the herbs tend not to be over-spiced like chilly sauces.
