## ALIENATION, SOCIETY, AND INDIVIDUAL: CONTINUITY AND CHANGE By Felix Geyer Mint 9781560000594

For researchers, the study of alienation is a three-fold task: first, understanding the discrepancy between individual values and actions and general living and working conditions; second, analyzing the overt and latent forms of oppression in social structures; third, accounting for social circumstances that hinder or facilitate individual or collective action against those alienating structures. Alienation, Society and the Individual: Continuity and Change in Theory and Research. Complete: Journals that are no longer published or that have been combined with another title.
