Thinking of a storybook white winter, he can, for the time being, escape the apathy he has toward life.

The Dark Side: Tales of Terror and the Supernatural by Guy de Maupassant

I think these were all written by Matheson. Maybe they reminded the customers in the folding chairs of eternity, or the countdown to when they'd be lying in a similar velvet-lined box.

Inferno: New Tales of Terror and the Supernatural by Ellen Datlow

Against the wishes of his doctor David Frankham and his wife Debra Paget , Valdemar agrees to a last request from Carmichael. I made the stupid mistake before this film of actually reading the Poe stories on which it is based, thereby making it seem even sillier and shallower by comparison than it probably already was. This is how you get paid, right? I hadn't yet read The Facts in the Case of M.
