## German literature

The period is characterized by a rebirth among English elite of classical learning, a rediscovery of ancient Greek and Roman authors, and a recovery of the ancient Greek spirit of scientific inquiry. This period is known for its poetry and nonfiction prose. New cultural attitudes and new theories of literature emerged at this time.

## Outline of literature

We know the names of some of the later writers Cædmon, Ælfric and King Alfred but most writing is anonymous.

## Outlines of Roman History

Thackeray — Vanity Fair subtitled a novel without hero, a description of the evils of the upper society.

## Outline of the Renaissance

After all, in the arena of human intercourse of which politics is a part, what is believed is much more powerful than what is actual.

## Outline of the Renaissance

This made their poetry difficult to understand. The Nobel Prize in Literature has been awarded to German language authors fourteen times as of 2020 , or the second most often, tying with French language authors, after English language authors with 32 laureates with winners including , , , and .

## An outline

Orwell was concerned that the concept of truth was fading out of the world.
