## How India changed under Indira Gandhi?

Whether you live in India or overseas, you can do it. It propelled the under to victory.

## India After Indira

Interested in blogging for timesofindia. India asserted its military power and expansionist ambitions in the region by forcefully annexing State of Sikkim in 1975.

## The resilience of briefcase politics

They began to revolt against her. The Soviets sought to use Indian airfields for Indian Ocean reconnaissance flights in the early 1970s, but this was denied.

## Postscript : Indira Gandhi's Troubled India Legacy : Ten years after the prime minister's death, the Parliament, courts and party system remain wounded.

Only once did she lose her grip on the pulse of her country, when a mass compulsory sterilization campaign got out of hand in 1975-76, arousing popular fears and anger, and resulting in her overwhelming defeat at the polls in 1977. Variations of it have been used later both in the UK and the US. The author holds an M Phil in international Relations from Quaid-i-Azam University.

## How 5 August redefined national politics in India — beyond Ram Mandir and Article 370

Although the United States seemed most often to be the target of her concern, the Soviets, British, Chinese, French and most of her South Asian neighbors were also frequently suspect.

## The resilience of briefcase politics

But if Indian economic initiatives show promise of bringing trade and technical benefits to the countries of the region, and if Indo-U.
