Advanced Spanish

Comprehensive free Spanish podcasts based primarily on conversations regarding real-world topics. Spanish learners are all inherently different.

Advanced Spanish Courses

The app contains a lot of gamification, which can help keep you motivated. There are lots of Spanish grammar and vocabulary exercises with audio recordings to help your pronunciation, plus some great reading exercises too. The objective of this course is to teach the students the more difficult tenses that are taught after the present tense, such as: the preterit tense, future tense, immediate future tense, present perfect tense, direct and indirect object pronouns, present and past subjunctive, etc.

Learn Spanish: Top 100 Free Online Spanish Courses and Lessons

This website has a lot of different exercises, but the best part is its library of free Spanish stories for beginner and advanced learners. The format of the course is similar to a podcast in that the materials are purely audio lessons. In addition to interesting news stories, there are plenty of grammar-focused lessons and those that teach useful expressions.

30 Best Online Spanish Courses: We've Tested Them

From the same people that made Coffee Break Spanish, this mini-series tries to teach you the very basics... just enough to make some small talk with another Spanish speaker. I translated a couple hundred-page book from Spanish to English for a Venezuelan author. Lingoda, on the other hand, addresses the communication practice problem by getting real tutors involved.
