Tags: #7.4 #Explaining #Drug #Use

11.2 Sociological Perspectives on Education

Clarity rating: 5 The language as well as the organizational structure of the writing is clear and concise. The comprehensive nature of the text makes it lengthy, and the addition of interactive table of contents, index, and glossary as well as a list of the charts and figures would be helpful to allow readers to navigate through the text. The presentations are free, interactive and can be adapted to give for any audience.

Social Problems: Continuity and Change

This text will easily be relevant for several years. Consistency rating: 5 This text presents topics in a consistent manner and helps students to contextualize each topic within the broader society.

Social Problems: Continuity and Change

Grammatical Errors rating: 5 Clear and error free. The bookmark feature was helpful for navigating to a certain place in the book but did not indicate when you have scrolled to different area. These stories provide an interesting starting point for the chapter's discussion and show its relevance for real-life issues.

7.4 Explaining Drug Use

From this type of social interaction, an individual learns how to use a drug and also learns various attitudes that justify drug use and define the effects of a drug as effects that are enjoyable.

Canadian and World Studies

Cultural Relevance rating: 4 The author presents a variety of examples and perspectives. For instance, in Chapter the use of a photo of someone who was lynched seemed insensitive and abrupt ,with no trigger warning and did not add anything to the discussion.

11.2 Sociological Perspectives on Education

Clarity rating: 4 Since the text stays away from a lot of the technical language of sociology, students should find the text approachable. This setup provides a very useful framework for understanding what is to come in individual issues focused chapters. Content Accuracy rating: 5 The content included is accurate and up to date with fairly recent examples and relevant, professional, recent images.
