Against My Better Judgement: Adventures in the City and in the Book Trade by Terry Maher (Paperback, 1995) for sale online

This book should be read by all. Taking us on an unforgettable journey around the world, we trace the emergence of psychoactive substances and our relationship with them. He was pulling an old cart filled with clothes both bright and new, and he was calling in a clear tenor voice: 'Rags! Mayber its unfair since I've been to New York twice and I alrteady have my own opinions, but I just didn't feel like the author ushered me in.

The Road to Rothenburg

If you haven't read Ian Frazier before you need to start now.

Sure, if you are solidly middle class, you might buy legal.

9781856195188

She blinked from the gift to the giver. I'd already read extracts from it in Heather Reyes' 'City Picks' book on the city, so knew to some extent what to expect, and I more or less got this, in a number of articles written for newspapers and magazines about Frazier's life in and around the city. Or at least he believes so.

9781856195188

Liebling, Frazier makes Welcome to Ian Frazier's New York, where every block is an event, and where the denizens are larger than life. You get so fed up that you want to marry someone who says,? He doesn't clean things up to make the City any better or worse than it is, he simply does his best to call a spade a spade. No religious jokes but some political ones, which might upset someone.
