## New Politics Forum: The New Politics Forum

Paper presented at the conference on Internet, Voting, and Democracy, Center for the Study of Democracy, University of California, Irvine, and the European University Institute, Florence, Laguna Beach, CA, May 14—15. The sample was selected and weighted to reflect the adult population in each state based on gender, age, race and education. Do campaign websites really matter in electoral civic engagement? Or if a levy change sought by the North County Regional Fire Authority will pass or not.

## New Politics Forum: The New Politics Forum

Campaigns have had to adapt to a more negative and volatile electoral environment. Further, while platforms proliferate, similar content is dispersed widely as media power is concentrated in a small number of old and new media corporations McChesney, 2015. Volunteer programs blossomed and flourished on college and high-school campuses.

## search

The increase has been most pronounced in Wisconsin, where supporters of both major party candidates are contacted at high and similar rates.

## Biden's message is unity, coronavirus in homestretch

Fisher, Mark, John Woodrow Cox, and Peter Hermann. Enjoy a day off from the election racetrack. But the president's decision to campaign here came amid his struggle to hold on to older white voters, like the ones he addressed at this Friday stop, who have grown uncomfortable with his rhetoric and his response to the.
