A Brief History of Dominican Republic

An expeditionary force was sent to capture Chief Caonabó, the leader of the former uprising, and another battalion was ordered to put down a unified force of thousands of warriors at the site today known as Santo Cerro, after which the Taíno were forced into hard labor, panning for gold under conditions that were repressive and deplorable. This made him conquer Spain and the Portuguese.

A Brief History of Dominican Republic

The new Republic was not void of problems, as the Trinitaria leaders, who had sparked the move for Dominican independence, almost immediately encountered political opposition from within. Succumbing to the complaints of former colonists who had lost their plantations in the colony, a large expedition was mounted to conquer the Blacks and re-establish slavery. Antonio Guzmán of the Dominican Revolutionary Party PRD as the new president.

A Brief History of Dominican Republic

Following his assassination in 1899, several individuals came to power, only to be rapidly overthrown by their political opponents, and the country's internal situation continued to spiral out of control. In 1861, General Pedro Santana invited Spain to return and take over its former colony.

Latin American Revolutions

This unscrupulous strongman utilized his powerful position to amass an enormous personal fortune, culled primarily from embezzlement activities, initially involving the procurement of military supplies. Recent estimates, based on archaeological and demographic research, indicates that there were most likely several million indigenous Taíno Indians living on the island by the close of the 1400s. Tiene vistosas flores amarillas, con alto potencial ornamental.

History of Dominican Republic

His term in the Dominican Republic Presidency was, in the end, marred by allegations of massive corruption and misappropriation of government funds. Some modern historians have classified the acts of the Spaniards against the Taíno as genocide. However, facing intense international pressure, particularly from the Jimmy Carter-led government of the United States, Balaguer was ultimately forced to admit defeat and step down.

History of Dominican Republic

Due to divided and disorganized opposition parties at the next elections in 1990, Balaguer was once again re-elected.

History of Dominican Republic

The most successful resistance against the Spaniards took place on Hispaniola from 1519 to 1534, after the Taíno population had been almost completely decimated. It had been alleged that thousands of these workers had essentially been put into slavery, forced to do backbreaking work under the supervision of armed guards. Pertenece a la familia botánica de los cactus Cactaceae.
